Nurses UK went to the Care Show at the London Excel

Nurses UK was invited to attend the Care Show at the London Excel this May. It was a great opportunity for Nurses UK to connect with innovative companies and expand our expertise in the field. We had the chance to meet fantastic care groups and care tech companies, bringing together the best from the industry. Exciting times lie ahead. We are grateful to the Care Show for hosting us!

Whats is happening this month?

Nurses UK Launches a new payroll system...

Nurses UK has successfully launched the start of our new built-in payroll program via our Nurses UK app. We are looking for ways to reduce our carbon footprint, and this payroll system has been adapted and built from scratch over the last 12 months. A big thanks to Nicola, Wayne, John, and Steve for all your dedication in bringing this to a reality. This month, we have already saved a huge amount of trees, water, carbon, and waste. Check out our stats for May below.
