What's on this month at Nurses UK:

New faces and expanding team...

Little bit about Ana:

Our new recruits in the Head Office have hit the ground running and had a fantastic couple of weeks induction with the team! Thank you everyone for making them feel so welcome.

Ana loves books; not only she is a keen reader, but she is also in the process of writing her own novel. Ana has a passion for digital artwork and has taught Photoshop and Procreate.

It is clear to see, only after two weeks into her role at Nurses UK as Recruitment & Compliance Admin, the passion for creativity that has translated into her work. To top it all off, Ana speaks, reads, and writes multiple languages, which will help with communication with Nurses and clients from all backgrounds and locations.

Little bit about Craig:

Craig is originally from Bradford, West Yorkshire, and moved to the South Coast 18 years ago. A huge football fan, supporting Bradford City, also a keen player and referee during his spare time. Craig enjoys fundraising for charity and keen to get the team involved in taking on fitness-related challenges for charity!

Professionally, Craig has spent the last eight years working in an office environment as a caseworker for a local Member of Parliament, which was a rather special role. Craig is joining the booking team as a Bookings Coordinator.
