What's on this month at Nurses UK:

Full House - We now have a full team and two new faces!

A warm welcome to our new Office Manager, Katrina! Kat has completed her first couple of weeks and has already made her mark on the team. She brings over 10 years of experience in healthcare management and has numerous ideas to contribute to the Nurses UK Head Office team. Kat's passion for healthcare has been evident from day one, aligning perfectly with the Nurses UK mission and vision.

Andy has sat on both sides of the fence at Nurses UK. Andy joined Nurses UK as an Agency RGN in 2020. He enjoyed working in various care settings, broadening his nursing experience. In 2022 Andy became a local Care Home Manager for a home in Truro. Nurses UK was quickly announced as the preferred supplier for the home, we can confidently say we have provided 100% nursing coverage over the years. Andy now joins Nurses UK as a Business Development Manager for the South West, looking after our current clients and expanding our client base.

Nurses UK News!

Keeping you up to date with all the latest company news for all our Nurses and Clients.

Whats is happening this month?

Big thank you to Ladle Restaurant for holding our 2024 Team Christmas meal out!

This year Nurses UK Office team enjoyed a Christmas meal at the lovely Ladle in Hastings Old Town.

We enjoyed a delicious meal full of festivities. We ended the evening with a Christmas Quiz in which the Recruitment Team was a Clear Winner!

We are readying and roaring to go to end 2024 on a high and bounce straight into the excitement of 2025!

Update for the Nurses UK Franchising Team...

BFA membership means that our business model has been independently assessed and has been found to be ethical. This is a feature that we never fail to mention when speaking to prospective franchisees and gives us a USP against many of our competitors. We operate a niche service as we only look to recruit and supply qualified nurses. I believe that we are the only BFA member solely offering Nurses. Anyone visiting the BFA website looking for a Nursing Supplier will therefore have a choice of one, Nurses UK. It is a fantastic achievement to have this recognition as a franchised brand.
