## What are we celebrating this month?:

We were excited to share that Nurses UK exhibited at the NEC National Franchise Expo! It was a fantastic opportunity to connect with aspiring franchisees, share our vision, and showcase how Nurses UK is transforming healthcare staffing. Whether visitors were curious about our franchise opportunities or wanted to learn more about our agency model, we were thrilled to meet them in person and explore the possibilities together. Thank you to everyone who joined us at the NEC!

Finally, we are excited to announce, The Nurses UK Wellness Programme.

## Why join the Nurses UK Wellness Program:

### Wellness in the Workplace: Small Moments, Big Impact

At Nurses UK, we're taking wellbeing seriously — and that means getting out of the office and into nature! After a fantastic first walk in the glorious sunshine, we're excited to introduce our Monthly Beach Walks as part of our ongoing commitment to team wellness and connection.

There's something truly refreshing about feeling the sea breeze, hearing the waves, and walking side by side with colleagues outside of our usual work setting. It's a chance to reset, reflect, and recharge — both mentally and physically.

To further support creativity and wellbeing, we've also started holding management meetings outdoors in the sunshine whenever possible. The change of scenery has already proven to boost our energy, lighten our thinking, and support a more open flow of ideas.

Whether it's a walk on the sand or a brainstorming session under the sky, we're embracing the outdoors and prioritising wellness together — one step at a time.

Stay tuned for the next walk — we'd love to see you there!

### Training Days:

Next month training day will be held 15th September 2025 for the mandatory free updated training.

If you would like to book in for our update training. Please contact the office on:
