December 2025

Hello and welcome to the Nurses UK newsletter, this is a monthly newsletter celebrating news of all of our team at Nurses UK to all of our clients at Nurses UK.

This will keep you up to date with all the latest news and bulletins for the month and beyond. If you would like to share any news for our next monthly newsletter please contact us at HQ: info@nursesukgroup.co.uk

What does December mean to us at Nurses UK?

At Nurses UK, December is a time for reflection and giving back. Each year, we take a moment to celebrate the charitable causes closest to our hearts. One of our favourites is the Action for Children Secret Santa Appeal, where we donate gifts on behalf of our employees to bring joy to children in need. It's a wonderful way for us to show our appreciation for the hard work of our team while making a positive impact in our community during the festive season.

Looking for a company to sponsor you next Christmas?

We love working with local and national charities that are dedicated to improving the communities we live in – because giving back is at the heart of what we do

Contact the Head Office team on: info@nursesukgroup.co.uk.

Celebrating the Team

This December, the Nurses UK team came together for our Christmas meal, a perfect opportunity to pause and celebrate another year of dedication in the face of all the stresses healthcare brings. We enjoyed a fantastic evening at our neighbours, Half Man Half Burger, who, as always, put on a delicious meal and made the night even more special.

It was a wonderful time to relax, share laughs, and reflect on the year's achievements as a team.
