Head Office Office Spotlight...

This month we're excited to welcome Amellie, our new Content Creator, who is joining us from a local college for work experience every Tuesday.

You may have already spotted something new... our TikTok videos are now live! And that's largely thanks to Amellie, who has been encouraging us to step out of our comfort zones and get creative on camera.

It's been great having some fresh ideas and energy in the office, and we're looking forward to seeing what other content Amellie helps us bring to life.

Great work so far, Amellie – and welcome to the team!

Newcastle Office Spotlight...

We're excited to share that our Newcastle office has been operating for 8 weeks and is already making a big impact!

The team is busy providing regular, hands-on support to both our clients and nurses, ensuring smooth placements, timely updates, and exceptional service.

A big thank you to everyone involved in getting this office up and running – your hard work is helping us expand our reach and support even more healthcare professionals.

Here's to continued growth and success in Newcastle!
